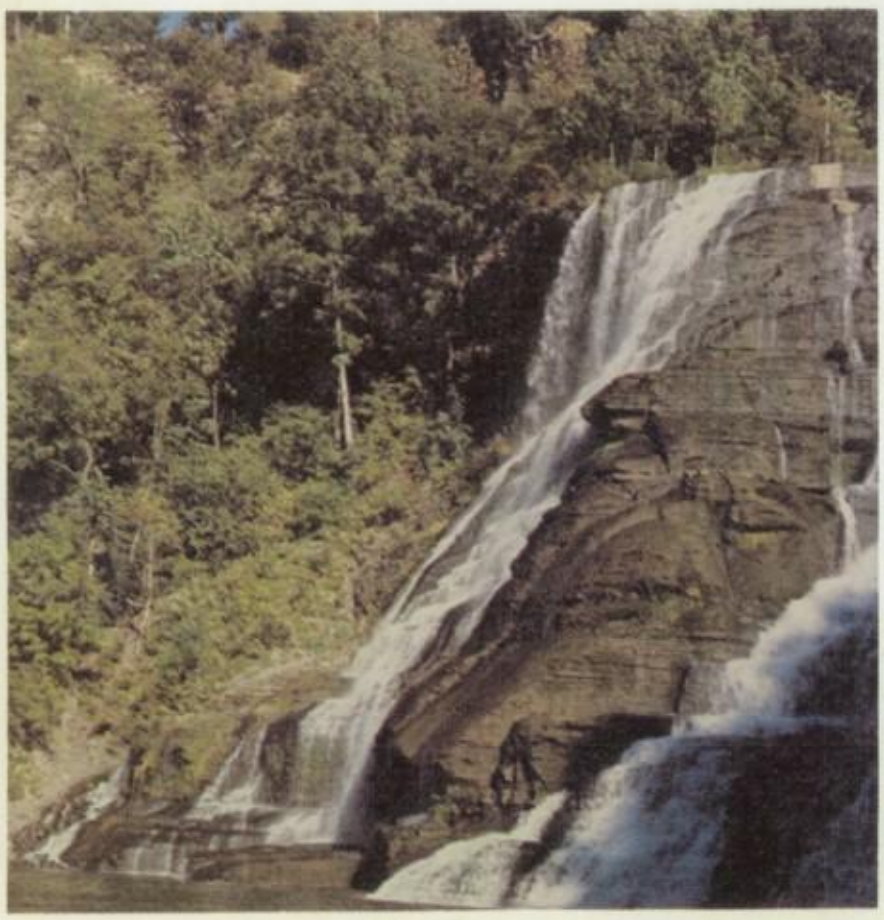
Every man has his daydreams

Every man has his goal

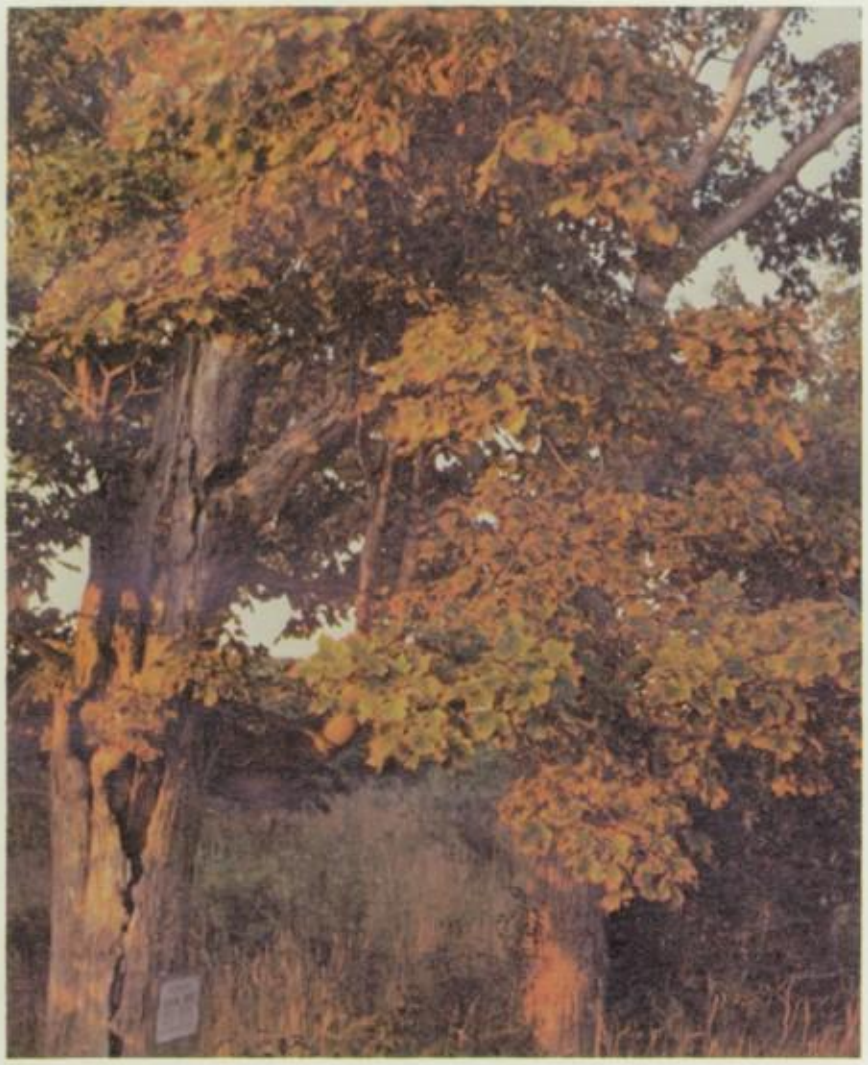


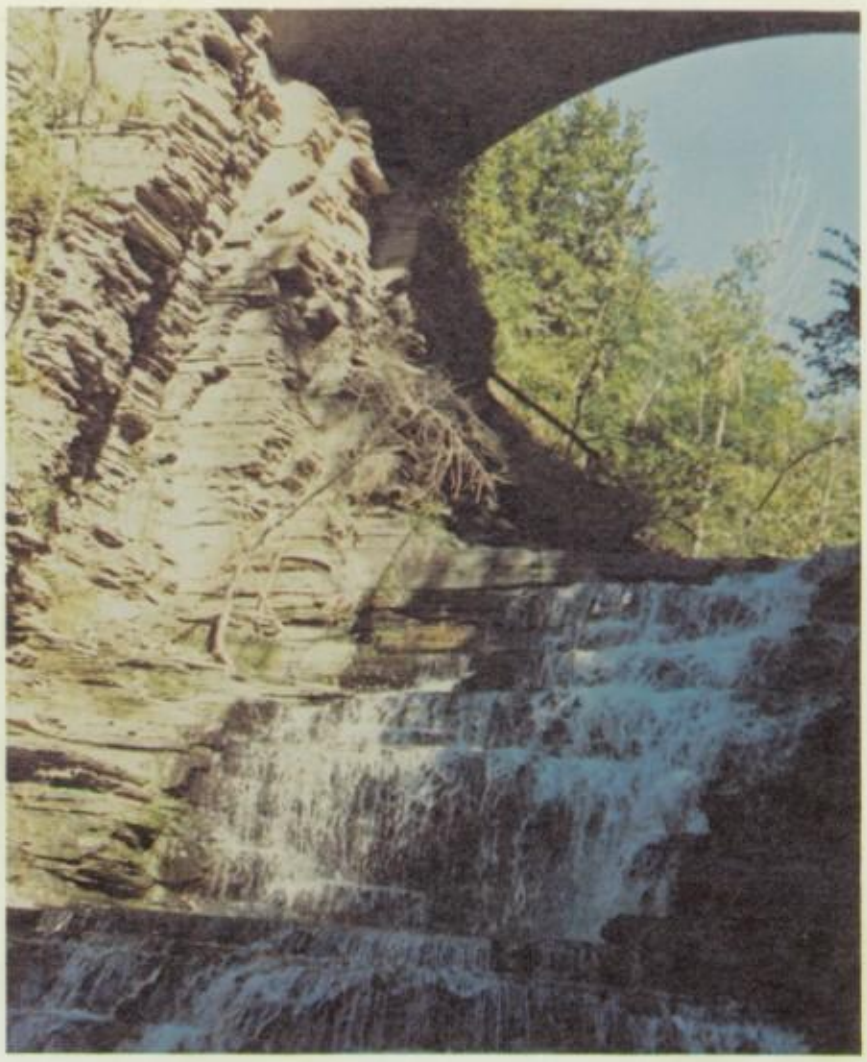
People like the way dreams have of

sticking to the soul.

Thunderclouds have their lightning

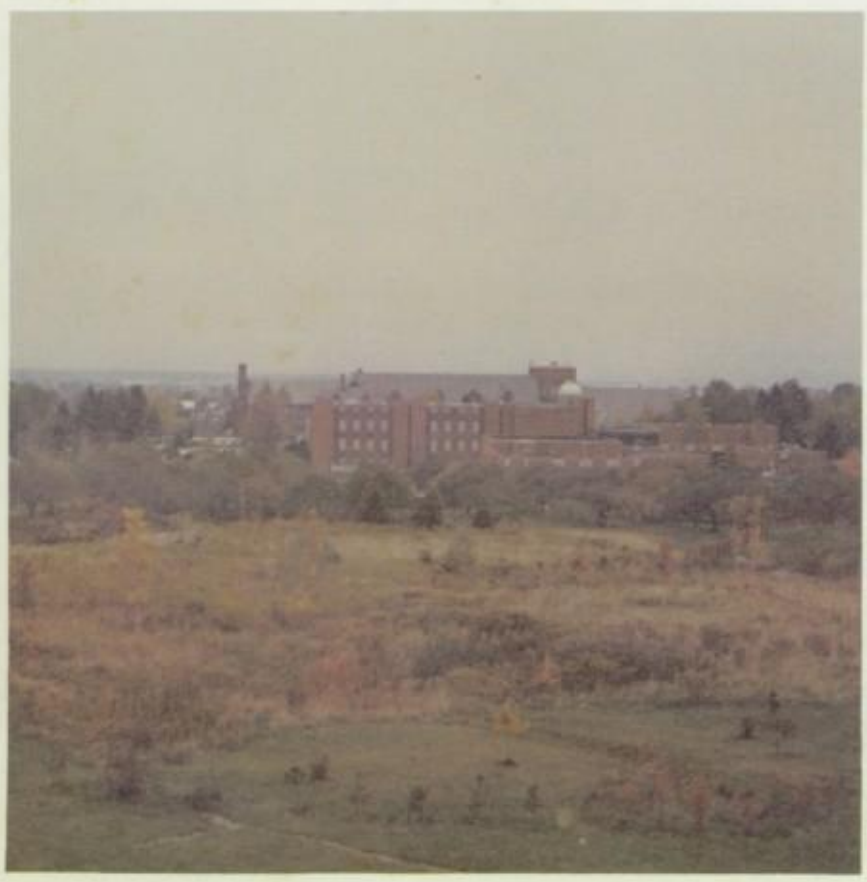
Nightingales have their song

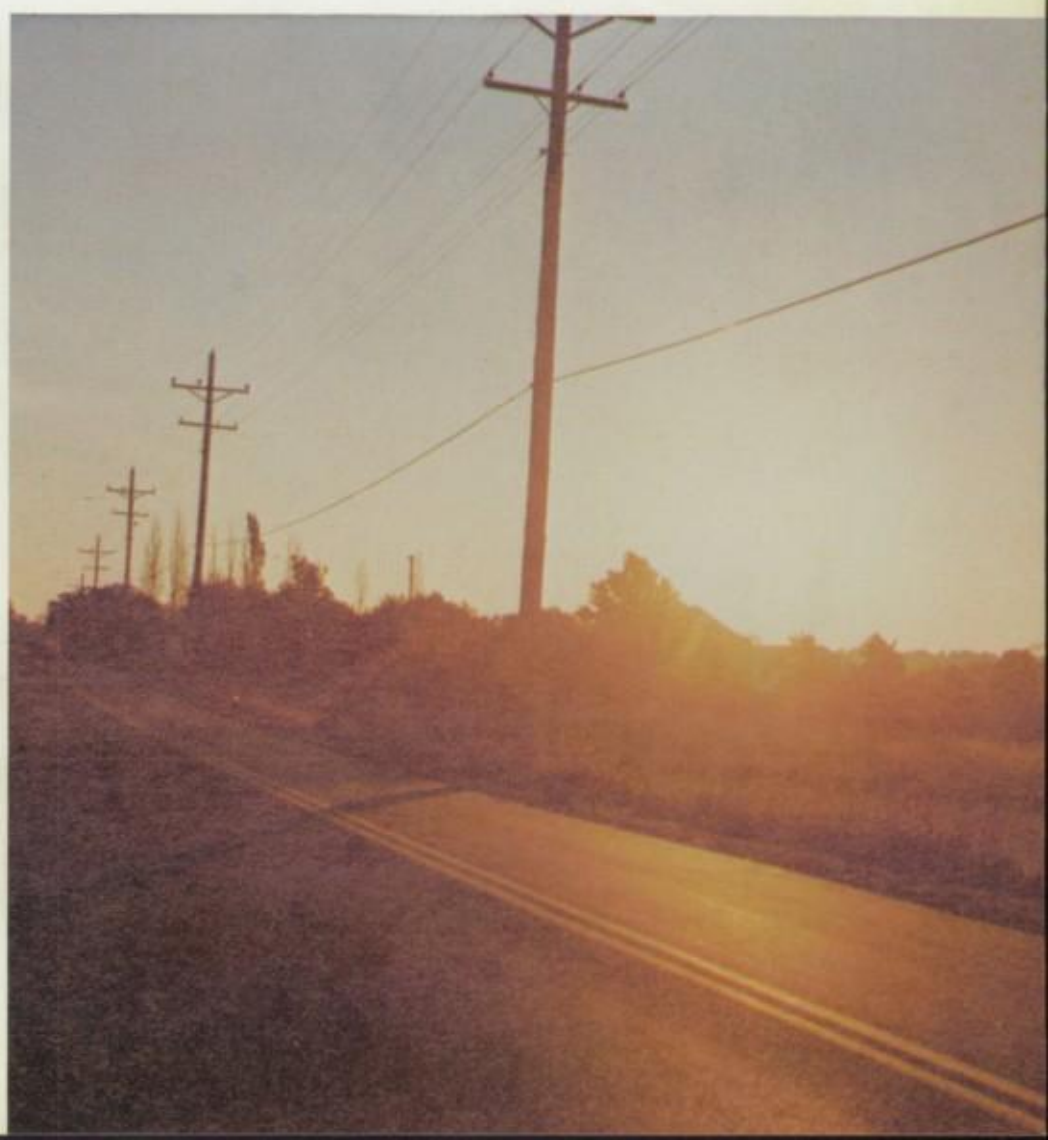




And don't you see I want my life to be

something more than long?



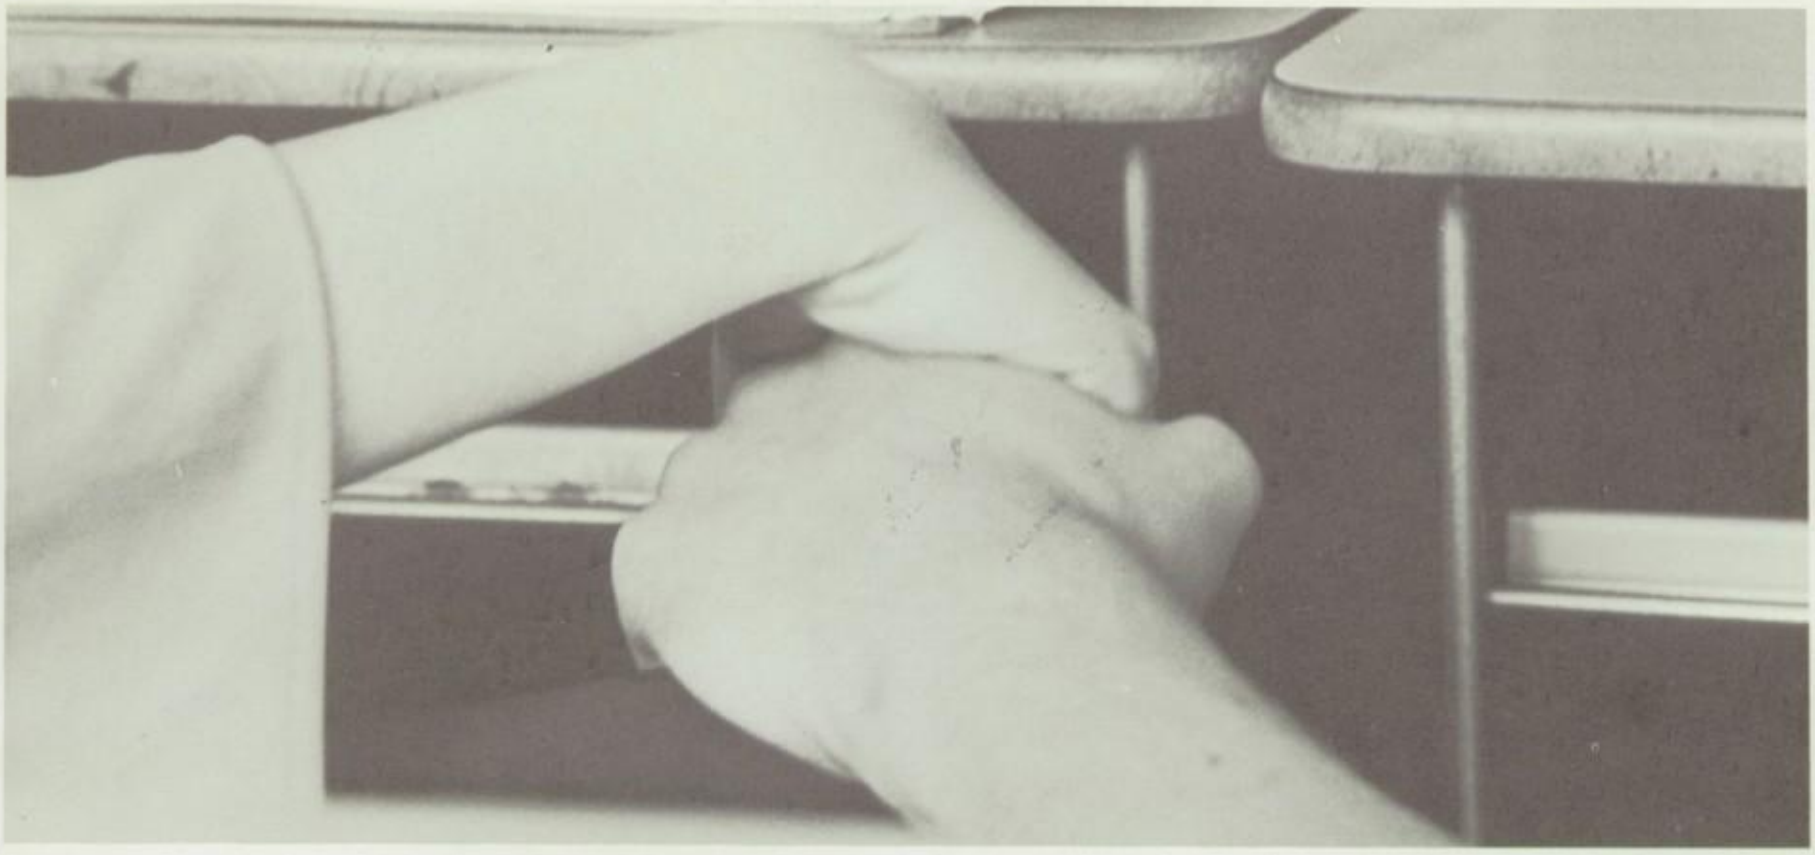


So many men seem destined

To settle for something small

But I won't rest until

I know I'll have it all.



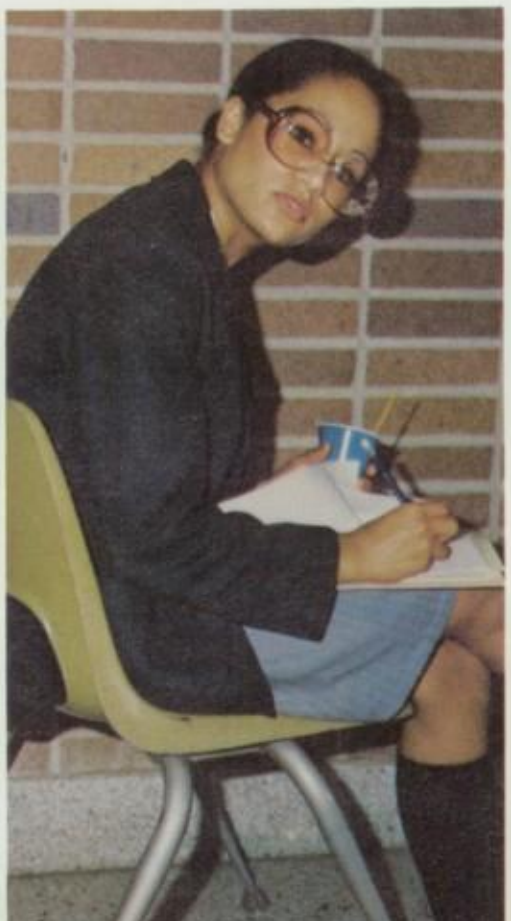
So don't ask where I'm going

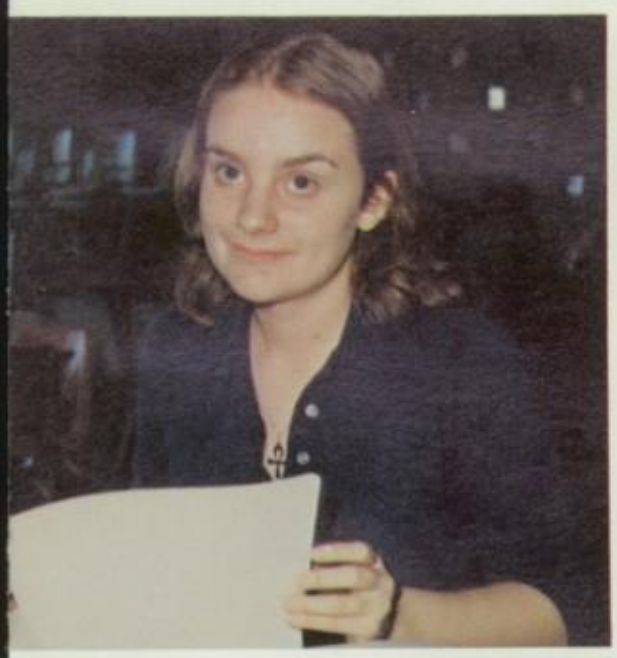
But listen when I'm gone

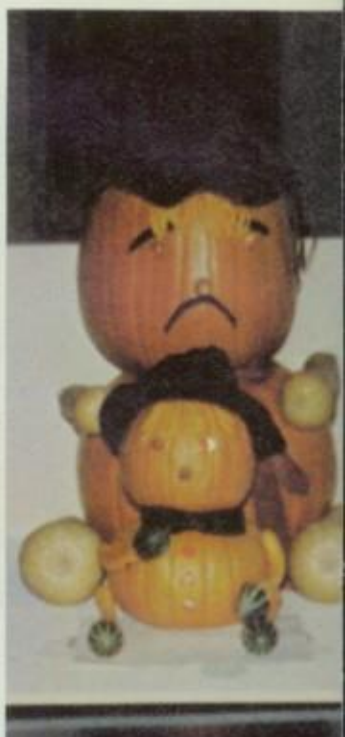
And far away you'll hear me singing

softly to the dawn.

SENIORS







Christine Ann Ackerman

Now as the clock of youth unwinds,
Old memories overflow my mind,
And I wonder when I'm all alone,
When am I ever going home?

We come into the world alone; we go away the same.
We're meant to spend the interlude between in closeness,
or so we tell ourselves.
But it's a long way from the morning to the evening.

Sometimes, the things we see,
Are shadows of the things to be:
Every hope that hath been crossed,
Every dream we thought was lost,
In heaven shall be fulfilled.

Phoebe Cary

Patricia Ann Dahlkemper

I have learned to seek my happiness
by limiting my desires,
rather than in attempting to satisfy them.

Photographs and memories,
all the love you gave to me.
Somehow it just can't be true
thats all I've left of you.

Jim Croce

Nicole A. Deckard

Life ain't always what it seems.

Lynyrd Skynyrd

Barbara Jean Falkewitz

Let thy speech be better than silence,
or be silent.
Dionysius

Old friends, memory brushes the same years,
silently sharing the same fears.

Why are so many of us touched-

From the time we are children,
there are always people to be friends with.

If you think you are swimming around in circles,
look for a friend.

Friends always do their best to make
you look good.

They stick with you even through the
worst moments of your life.

If you are struggling and alone,
friends are always there to help.

Friends protect you.

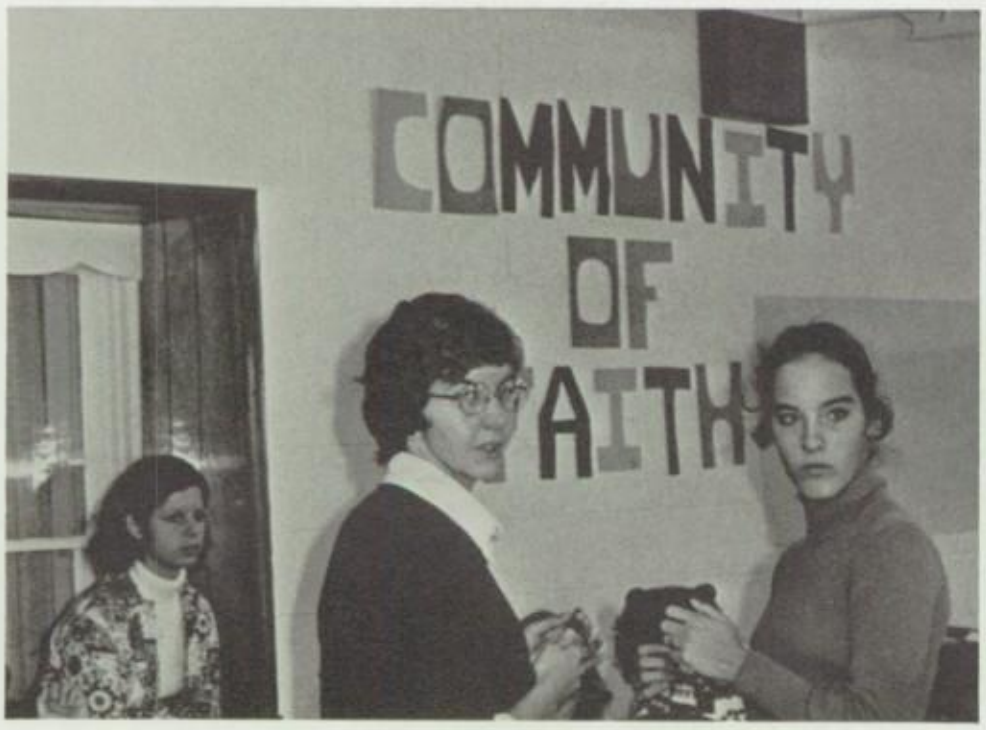
They are around to conspire with . . .

and to talk to.

If you are feeling blue, almost any kind of friend will do.

If you need someone to run beside you along the hard road of life, pick a friend.

Friends will be there for the thrill of victory
and the agony of defeat.



So, when you're faced with a problem of faith,

and you feel like
you blend into the scenery . . .

look for a friend and the beauty of God's world and each precious moment of your life
will become a joy that will last forever.

People, people who need people- Are the luckiest people in the world.

We're children
needing other children.
And yet, letting
our grown up pride
Hide all the need inside,
Acting more like children,
than children.

Lovers are very special people,

They're the luckiest people

in the world.

With one person,

One very special person,

A feeling deep in your soul

Says: you were half, now you're whole.

No more hunger and thirst

But first,

be a person who needs people.
